

February 2019

Testing

Renaissance/unify testing will be ending on February 6th. We use renaissance/unify to track your students progress throughout the course of the year. If you would like a copy of their progress report please contact the school office to request one. FSA retakes will start on February 25th and run through March 15th. We will also be offering the NCR ACT for juniors and seniors who have not met their ELA graduation requirement. It is absolutely vital that your student is in attendance for these dates. Remember to get a good night of sleep and to eat breakfast the morning of testing.

Family Engagement Breakfast

LASR would like to invite you to our Family Engagement Breakfast on Thursday February 7, 2019 from 8:00-9:00 am. This is a great opportunity for you to get involved with our school. We would like your input on what is taking place and the things to come. Your input is important for the improvement of LASR. Please join us so we can all make a difference in your student's education.
