

September 2018

### Testing

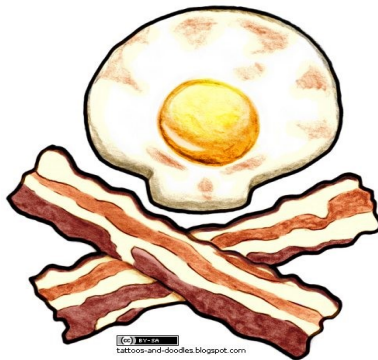

Testing season is right around the corner at LASR. FSA testing will start on September 10th and go through September 28th. Renaissance and Unify testing will start on September 13th and go through October 12th. It is important for all students to attend school every day especially during these testing windows. Students who need to make up FSA testing will only be permitted to do so during this time frame. Renaissance and unify testing will be used for Math, Science, English, and History to track student progress throughout the course of the year. Attendance and participation is vital to help your child reach their full potential and to have a successful year.
