

DO YOU KNOW THE DIFFERENCE?

SECURE FACILITY

This protocol addresses crisis situations not actually on site, rather in the vicinity.

Activities may include a Law Enforcement presence on and off campus.

Activities do not pose an immediate threat but could if threat moves closer.

Students and Staff are secured on campus.

Objective is to lock students, staff and authorized visitors IN to take precaution to approaching threat.

LOCKDOWN

This protocol is the highest and most restrictive response to an emergency.

Lockdown occurs when present or imminent danger threatens a campus.

This protocol is utilized if a threat is on campus.

Ensures immediate security of students, staff and visitors.

A lockdown can be de-escalated to Secure Facility.
